Welcome to our Second Newsletter.

In this issue we are focusing on our timber framed buildings, with their sturdy and versatile construction our timber buildings have many uses, from potting sheds to summerhouses, pony housing to 'L' shaped stable ranges and garages to storage buildings. We have something that will enhance your property and have the build quality to last for years.

Catch up with our sales team
Jonathan and Stephen.

Enjoy your garden with our summerhouse, with it's large inside room and decked area, it makes the perfect setting for that summer bbq with the family or just for watching the sunset and letting the world pass by.

Coming Soon

Our new website is currently under construction by our in-house technical support and marketing team.

Or why not treat yourself to a new potting shed or tool store with a choice of standard 19mm thick shiplap boarding or other cladding options available on request.

Our garages can be open fronted, have barn style doors or an enclosed storage bay. Oak frontages are an option as are a variety of roof and side cladding types. PVC guttering is included as standard.

Our stable ranges can be supplied in a straight run, 'L' shaped or 'U' shaped and with options for tack rooms, storage rooms, pony boxes or even vehicle storage. Fibre cement roof sheeting is standard.

The Ambassador building is a well established design with an offset ridge line to provide greater height at the front of the building and can be put to many uses for either domestic or agricultural

Future Projects

It's never too early to plan ahead, whether it is a building for next winter, spring or even next summer! Let Browns of Wem help you out with your planning application, with our 99% success rate and dedicated planning team, we are here to help you.

Full planning applications usually take a minimum of 8 weeks however should the planners impose conditions this could extend the process. Our in-house planning department can guide you every step of the way supporting your own agent or acting directly for your planning application.

No project is too big or too small for us - including Riding Arenas, Grain Stores, Cattle Buildings of any size, Stable Blocks and Garden Sheds we can do all these and more besides.

Give our sales team a call today.
