➤ **Specialist Buildings**

For any type of livestock, workshop or storage the chances are we have already built one!

Whatever you need – talk to Browns. We're Here to help you prosper.

➤ **Size is no problem**

We can produce portal clear span buildings up to 45m (150ft) wide and as long as you need them to be.

➤ **Designed for the real world**

Browns buildings use the best of modern materials and construction techniques to withstand the intensive day to day use that today's farming demands.

➤ **Standard or Bespoke**

We have a range of standard buildings based on the most popular types specified by our customers, but our experience enables us to build exactly what you require.

➤ **Flexibility and Economy**

We can design buildings to make the best use of any limited space – at competitive prices.
