information.

Welcome to our latest Newsletter.

In this issue we are focusing on recreation and sport buildings.

Whether it's in your garden or you are part of a local team, Browns of Wem have a building that will suit your relaxation and sporting needs, from a new potting shed, summer house, sports club shelter or a general purpose storage and maintenance building we can supply a structure to fulfill your requirements.

Our buildings can be made to fit any space which you may have available and will compliment and add value to your property. Our range of standard timber buildings can be customised to suit your individual needs.

Relaxing in the garden with a new potting shed or summerhouse from Browns of Wem can help to ease the pressures of modern day life. The summerhouse can be supplied in a smaller version as a kiddy cottage for children to play in with their friends. Give one of our sales team a call today to discuss the building options that are available.

Catch up with our sales team
Jonathan and Stephen who
look forward to meeting you.

We can provide timber buildings for local sports groups, whether your team needs an all weather viewing shelter or just a small storage building for the maintenance equipment, Browns of Wem can provide the right building for you.

Should you require something larger, look no further than our steel framed buildings that can also provide a secure and well illuminated area for the storage of your sporting and maintenance equipment.

Website News

See our range of building brochures on our website. Including our new sports and recreation brochure.

Meet the Sales Team

Jonathan Richardson has been with Browns of Wem since 2009. Jonathan comes from a long line of family dairy farmers and prior to joining the company worked as a Manager for the Midland News Association.

Stephen Turner has been with Browns of Wem since 2010. Stephen has worked in the constructional steel industry for over 40 years. Stephen has previously worked for the structural component supplier 'Metsec'.

Future Projects

Now is the time to plan ahead for your building requirements.

No project is too big or too small for us - including Grain and Crop Stores, Livestock Buildings and General Purpose Storage Buildings of any size.

Give Browns of Wem a call today.
